

2016 NEW CTE PROFESSIONALS WORKSHOP

Learning that works for Montana **Wednesday, October 19, 2016**

GranTree Inn; Bozeman, Montana

A free professional development opportunity specifically for Career & Technical Education professionals in their first, second, or third year in the classroom.

Workshop Details

The Office of Public Instruction's Career and Technical Education Specialists invite all new Montana Career & Technical Education professionals to join them in Bozeman for a **FREE** one-day professional development experience.

The New CTE Professionals Workshop offers those new to the classroom, as well as those with less than four years of experience, the ability to develop the essential knowledge and skills to be successful in both the classroom and the Career & Technical Education teaching profession while learning about the leadership and professional growth opportunities available for themselves and their students.

Workshop Topics

Montana's CTE Specialists have designed the workshop to include information on the current issues and trends in Career & Technical Education at the federal and state levels, professional organizations, curriculum resources, program standards and guidelines, and Career and Technical Student Organizations.

The workshop begins with Career & Technical Education topics followed by CTE area-specific items in the morning session. After lunch, the focus shifts to Career and Technical Student Organizations and offers attendees training and resources for starting a CTSO chapter or advising/co-advising an established chapter.

Morning Schedule

- 8:00 am Registration
- 8:30 am Welcome and Introductions by the OPI Career & Technical Education Specialists and Staff
- 8:45 am Joint Session #1: Carl Perkins, Montana Career & Technical Education, and Montana's Career & Technical Student Organizations
